## Ingredients

16 oz strawberries  
10 oz. 70% (or greater) dark chocolate  
parchment paper  
cookie sheet

## Directions

1. In a glass bowl, add the chocolate and microwave on half power for 30 seconds. Stir, then microwave for an 10 seconds at a time until chocolate has melted, stirring each time. Alternatively, heat a double boiler and melt the chocolate.
2. Wash and dry strawberries. Hold on to the stem end of the strawberry and dip it into the chocolate, swirling to coat all sides.
3. Place chocolate dipped strawberry on a cookie sheet with parchment paper.
4. Refrigerate for 30 minutes to harden the chocolate and enjoy!
